Looking Ahead

With the arrival of Passover and spring, the major holidays are over and Betenu starts to plan for the coming year. What we do in the spring helps determine how successful our next year will be. Here are some things you can do to help.

- Participate in planning. Our annual meeting is coming up in May and we will vote on our budget and goals and elect new officers. Right now is the time to get involved if you want to help craft proposals. Consider seeking a position on the board to help us make our goals a reality.
- Participate in the spring Clean-Up Day on Sunday, April 22 at 10 am. No matter what your skills, we can use help sorting and organizing, as well as cleaning and schlepping.
- Sprucing up the building will also make space for contributions to our annual give-away drive to benefit the Epilepsy Foundation and Betenu. We can use help to organize and publicize this event, as well as to donate clothing, books and home items.
- What would you like to see at Betenu this summer? Summers can be quiet, but if you have ideas for programming, we can organize activities and events.

Do you need more macaroons?

- If you still have Passover shopping to do, Hannaford has the best selection in Southern New Hampshire and Betenu has Hannaford gift cards for sale! 5% of the proceeds come back to us to fund our programs.
