HIGHLIGHTS

New Religious School year is near

Even as we enjoy the height of summer, the volunteers and professional staff of our religious school are making plans.

- This year's school will have diverse classes, ranging from a kindergarten class through elementary school to Bar/Bat Mitzvah preparation and Confirmation class.
- Teachers Sonia Campeanu (Hebrew) and Sandra Whitman (Jewish Studies) have both been with our school for a number of years and bring continuity as well as enormous knowledge to our program.
- Long-time member Elaine Schwartz will bring her knowledge of and enthusiasm for our youngest students to the position of kindergarten teacher.
- Special programs for the children of Betenu include activities with craft maven Barbara Bailey, regular learning opportunities with the schlichah (Israeli emissary) of the Jewish Federation of New Hampshire and assemblies with school staff and Rav Sam.

If you would like to share a topic of personal interest with our school, please contact Sheryl Liberman.

If you know anyone looking for religious education for their children or grandchildren, please encourage them to contact Betenu for information on membership and school registration.
