### Summer Fun/Summer Fundraising

We hope you're getting ready for a relaxing and fun-filled summer. Here at Betenu, we will be providing programs throughout the summer. However, summer is a VERY slow time for income. Here are some ways you can help us get through the summer and prepare for a successful new year.

- Planning barbecue or a family get-together. Purchase Hannaford gift cards from Betenu and enjoy your outing a little extra, knowing that 5% goes back to Betenu.
- Make Betenu your Amazon Smiles connection and we will get a percentage on everything you purchase.
- Betenu is once again collecting used clothing and household items for an Epilepsy Foundation fundraising drive. Bring a few bags every time you come to an event at Betenu.
- Too hot to cook? Watch for Betenu's monthly restaurant fundraisers. Get out, cool off and benefit Betenu.
- **Your idea here?** If you have ideas about new fundraisers, please contact Elsa Conrad or the Betenu office. We can always use fresh thoughts!
