High Holiday Readers Wanted

With Rosh Hashanah and Yom Kippur coming up in September, we're looking for readers! Even if your Hebrew's a little shaky or you've never participated before, there's something for everybody who wants to take part:

- Join us in reading Torah for Rosh Hashanah or Yom Kippur, on Sept. 14 or Sept. 22
- Help lead services by reading in English at any service, Sept. 13-14 or Sept. 21-22

We're happy to help you select a reading you're comfortable with, so contact the Betenu office today to find out how you can participate.
