### Fundraising reminders

Fundraisers have been on hold, but we do have some opportunities to help Betenu as you shop.

- Passover is coming in March, and Hannaford in Nashua is probably the best local source for Passover foods. Buy a Hannaford card from Betenu before you go!
- Make Betenu your Amazon Smiles connection and we will get a percentage on everything you purchase.
- Need to make room for those online clothing purchases? Betenu is once again collecting used clothing for a fundraising drive with Savers in the spring.
- Coming soon! Betenu's second annual partnershit with the Concord Casino. Watch the calendar and weekly newsletter for dates and info.
