

# September 2021 *elul 5781/tishrei 5782*

## HIGHLIGHTS

### Staying safe

After much thought, the Board of the Congregation has decided to have in-person as well as virtual attendance for the High Holy Days this year, subject to change if health conditions deteriorate. Our guidelines, as updated August 17, are below. Any changes will be sent to the congregation via e-mail/mail.

### Betenu Covid policies

These policies apply to indoor Shabbat services and events as well as HHD services, but Sunday School has its own policies. We have no outdoor restrictions.

- Masks are required indoors for those under 12 years of age, for anyone unvaccinated, and for all when more than five (5) people are present
- Physical distancing—seats for worship will be arranged in groups for family or friends. During services participants will read from their seats, including Torah readings.
- No food will be served to the congregation.
- No eating or drinking in the sanctuary.
- If you need a water break, please step 6 feet away from those outside of your household.
- Hand sanitizer, wipes and masks will be available at the door and at other locations throughout Betenu.
- HHD attendance will be capped at 50 people (50% of attendance).

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
