

August 2022 av/Elul 5782

HIGHLIGHTS

Summer is flying by!

- Our clothing drive fundraiser with the Epilepsy Foundation will end with pickup on Friday, August 5. We need more gently-used clothes! Please check your closets again and come to a dropoff or arrange a dropoff time.
- Religious school will begin on Sunday, September 11. If you plan to enroll a child this fall, please make sure you return the paperwork and school deposit. Know someone with religious-school aged children? We are enrolling students at all levels.
- The High Holy days are late this year, so you still have time to learn a Torah portion for the holidays or brush up on one you've read before. To read Hebrew, an Aliyah, or an English reading, contact Sara Murphy. Services will be held in-person with Zoom access, so all can participate.
- Betenu has updated our Covid protocols. Please review them and send in your vaccine information before coming into the building.

High Holy Day Services

Join Betenu in welcoming the new year 5783 with services led by Rav Naomi Lind Gurt and Cantorial Soloist Howard Solomon.

- Rosh Hashanah begins on Sunday, September 25. We will hold evening and morning services. Yom Kippur observance will begin with Kol Nidre on Tuesday, October 4 at 7:30 pm. More details will follow.
- Tickets and links will be sent to members in good standing. Contact the office about sharing links or bringing family or friends.
