

## HIGHLIGHTS

Shopping season is on and your purchases can help Betenu

This year, we have lots of holiday shopping time, as both Thanksgiving and Chanukah are fairly late. Chanukah doesn't start until the evening of December 18! You can benefit Betenu as you shop.

- Cooking for a crowd? Buy your turkey and fixings at Hannaford using gift cards purchased from Betenu. The gift cards let you buy all your holiday foods and send 5% back to Betenu.
- Is Betenu your Amazon Smiles connection? We get a percentage of all these purchases. Even those little sale purchases add up.
- November and December can get awfully busy. If you are out shopping or just need a break, head to UNOs for lunch or dinner on our fundraising days, and up to 25% of your check will get donated to Betenu. Pass them to your friends and family to increase our benefit. Both dine-in and carry-out count.
- Betenu's Chanukah gift shop will open in late November. Candles, wrapping paper, cards, dreidls and small gift items will be available. Check out our selection! Email to check on hours and to find out what we have in stock.
- Do you need to make room for new purchases or gifts? Come spring, Betenu will begin collecting used clothing and household items for an Epilepsy Foundation fundraising drive. This is one of our biggest yearly fundraisers, so set aside anything that you no longer need.
